The Connected car subscription is available to the customer at no additional cost for a period of one year from the date of delivery. This includes 20GB/month in-car data that ensures seamless experiences to FunGWork apps (OTT streaming, social media, News, Shopping Apps, video calling etc). Once the data consumption reaches to 90% of monthly limit, in-car data access to FunGWork apps will be temporarily restricted until the next month's data allocation begins. However, if you wish to continue using these apps, you have the option to purchase additional data (recharge) to restore access.
