TEQ_Talk with Google Gemini[$$]

Conversational AI that powers natural interactions through 17 specialised AI agents and supports over 100 core functions and 48 apps spanning navigation, entertainment, vehicle controls, general knowledge, and more.

[$$]AI-generated content may be inaccurate, incomplete, outdated or erroneous in certain circumstances. Users should exercise discretion and independently validate any information before relying on any AI-generated output.

TEQ_Secure

NFC Card & Digital Car Key

Unlock and access your vehicle in multiple ways.

Secure360 Pro

Keep an eye on your vehicle with 360° exterior monitoring and dashcam functionality. View live footage and recordings, activate audio relay, and track your vehicle anytime through the Me4U app.

TEQ_xting

Express yourself with personalised LED tail lamp text displays.

TEQ_Me

User Profile with Auto-detection

Personalised profiles that instantly adjust vehicle settings, from seat and mirror positions to climate, infotainment, AR HUD, and drive mode.

TEQ_Drive

Custom Mode

Personalise your drive with settings tuned to your preferred power, climate, steering, and suspension.

Tribe Drive

Keep track of your tribe in real time, with their locations visible on road trips.

Revive and Revive SOS#

Get additional range at 0% charge to reach your nearest charger. Revive SOS offers additional range during emergencies (5 uses over the vehicle's lifetime).

#Revive mode is not a substitute for charging.

Drift Mode**

Disables Electronic Stability Program (ESP), allowing controlled drifting in suitable conditions.

**Drift Mode is intended for controlled driving environments only. Vehicle features should be used responsibly and in accordance with local laws and road conditions. Mahindra does not promote rash and negligent driving in any circumstances.

TEQ_Play

Gaming and Karaoke

Transform your BE 6 SPORTEQ into a gaming arena with support for up to four Bluetooth game controllers. Sing along to your favourite tracks with an immersive in-car karaoke experience.

Private Audio

Connect compatible Bluetooth devices to stream in-car audio privately.

Same Heart, New Pulse

All features mentioned in this booklet are not available on all the variants of **BE 6 SPORTEQ** ("Vehicle"). Accessories shown on the Vehicle are not part of the standard configuration and need to be purchased separately. Performance figures shown are based on internal tests done by experts in controlled environment. Actual performance figures may vary due to various factors such as driving conditions, maintenance, etc. The images of the Vehicle shown are creative visualization and for illustrative purpose only. Tinted glass on the Vehicle is due to lighting effect. The colour of the Vehicle depicted in the image may differ from its actual appearance. Kindly visit your nearest Mahindra dealership to check the actual appearance of the Vehicle. Harman Kardon audio system is available in select variants of the Vehicle. Harman Kardon and all related marks are registered trademarks of Harman and/or its affiliates. Alexa feature is introduced to assist the Driver and improve the safety and convenience of driving a Vehicle. Alexa is only available in certain languages and regions. Alexa functionality may vary by location and variant of the Vehicle. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. In view of our policy of continuously improving our products, we reserve the right to alter specifications or designs of the Vehicle without prior notice and without liability / obligation to you. We reserve the right to add or delete any feature without prior notice and without any liability / obligation to you. Android Auto® is a trademark of Google LLC and its affiliates. To use Android Auto on the Vehicle display, you will need an Android phone running Android 6.0 version or higher, an active data plan, and the Android Auto app. Apple CarPlay is compatible only with select mobile devices with iOS operating system. The software and security mechanisms in the Vehicle are subject to ongoing developments. Like with computers or the operating systems of mobile devices, the software and security mechanisms in the Vehicle may also be updated at irregular intervals. Advanced Driver Assistance System (ADAS) are meant to assist the driver to keep the passengers and pedestrians on the roads safe. ADAS is not a substitute for human eye and driver's vigilance and the driver shall remain fully responsible for safety, vigilant and attentive driving. The spare tyre does not come with an alloy. For pricing details, please contact your nearest authorised Mahindra dealership.

BE 6 SPORTEQ LAUNCH EDITION on the cover features optional R20 alloy wheels.

[$]Please refer to the vehicle specification table for details on variant-wise colour combinations and availability.
